Belt Drive Air Compressors

Petrol & Diesel Driven Industrial Air Compressors

As a leading supplier of air tools, **air compressors** and air tool accessories, SIP range of belt drive compressors, petrol compressors, diesel compressors and direct drive compressors are ideal for home, garage, workshop and professional industrial environments. Silenced compressors are an excellent addition to any workshop where the installation is required close to the workspace. Also see our range of screw air compressors - these rotary screw compressors are designed for continuous use in demanding environments, quiet too!

All SIP **air compressors** are electric or petrol powered, durable, robust and packed with up to date features. That's why our leading ranges of **air compressors** - SIP Airmate Trade, Airmate Professional, Airmate Industrial and SIP oil-free air compressors - are top quality air compressors at affordable prices.

Air Compressor Accessories and Spare Parts

As well as our extensive range of **air compressors**, we also offer wide range of air compressor accessories and air compressor spare parts to increase the longevity of your **air compressors**.
